2.3 Additional Rent; Proration. Tenant shall pay monthly Estimated Operating Expenses concurrently with Base Rent. Base Rent and Additional Rent for any partial month shall be prorated on a per diem basis.

2.4 Abatement. During the Abatement Period, Base Rent (only) shall be abated. All Additional Rent shall remain payable. If Tenant commits a monetary Default that results in termination of this Lease or Tenant's right to possession, the unamortized portion of the abated Base Rent shall, to the extent permitted by law, become immediately due as additional damages.

2.5 Required Payments at Execution. Within two (2) business days after the Effective Date, Tenant shall deliver to Landlord (a) the first monthly installment of Base Rent due after the Abatement Period (\$9,840.83); (b) the first monthly installment of Estimated Operating Expenses (\$3,916.25); (c) the Security Deposit (\$19,681.66); and (d) a compliant certificate of insurance under Article 11.

2.6 Payment Method; Late Charge. All Rent shall be paid by ACH to the account designated by Landlord. If any Rent is not paid within five (5) days after the due date, Tenant shall pay a late charge equal to five percent (5%) of the delinquent amount, which the parties agree is a reasonable estimate of Landlord's administrative costs and is not a penalty.

2.7 Security Deposit. The Security Deposit secures Tenant's performance. Landlord may apply all or any portion of it to cure a Default or to reimburse Landlord. Tenant shall replenish any amount so applied within ten (10) days after demand. If Tenant fully performs, Landlord shall return the unapplied balance within sixty (60) days after the later of the Expiration Date or surrender of possession.

ARTICLE 3. OPERATING EXPENSES

3.1 Definition. "Operating Expenses" means all reasonable costs paid or incurred by Landlord in connection with the ownership, operation, management, repair, replacement, and maintenance of the Property, including common area maintenance, utilities not separately metered, property insurance, real property taxes, management fees, professional fees, landscaping, snow and ice removal, common-area janitorial, and permitted capital improvements.

3.2 Permitted Capital Items. Operating Expenses may include the amortized cost, with reasonable interest, of capital improvements that (a) are intended to reduce Operating Expenses, (b) are required to comply with Laws first enacted or first applicable to the Property after the Effective Date, or (c) improve energy efficiency. Amortization shall be over the useful life of the improvement as reasonably determined by Landlord.

3.3 Exclusions. Operating Expenses exclude leasing commissions; marketing costs; tenant improvement allowances or build-out costs for other tenants; principal, interest, and financing costs on debt; depreciation; costs reimbursed by insurance proceeds or third parties; costs caused by Landlord's gross negligence or willful misconduct; costs to remediate hazardous materials present before the Effective Date and not caused by Tenant; capital items other than those expressly permitted by Section 3.2; and Landlord's general corporate overhead.

3.4 Management Fee. Operating Expenses may include a management fee not to exceed four percent (4%) of gross rents collected from the Property.

3.5 Reconciliation. Within one hundred fifty (150) days after the end of each calendar year, Landlord shall deliver a statement of actual Operating Expenses. Tenant shall pay any underpayment, or Landlord shall credit any overpayment, within thirty (30) days.

3.6 Audit. Provided no Default exists, Tenant may audit Landlord's records for any Operating Year by delivering written notice within sixty (60) days after receipt of the statement. The audit shall be conducted by a CPA engaged on a non-contingency basis, completed within forty-five (45) days, and held in confidence. If the audit determines an overcharge greater than five percent (5%), Landlord shall reimburse Tenant's reasonable audit costs up to \$3,000.

3.7 Controllable Expense Cap. Controllable Operating Expenses for any calendar year after 2027 shall not exceed the prior year's Controllable Operating Expenses by more than five percent (5%), cumulative and compounded. Controllable Operating Expenses exclude taxes, insurance, utilities, snow and ice removal, security, costs to comply with Laws, casualty/Force Majeure costs, and permitted capital items.

ARTICLE 4. UTILITIES

4.1 Service. Electric service to the Premises is separately metered and shall be paid by Tenant directly to the utility provider. Water, sewer, gas, trash, and HVAC operation for the Premises are provided by Landlord and included in Operating Expenses. Tenant shall arrange and pay for its own telecommunications, internet, and data services.

4.2 Benchmarking. Within fifteen (15) days after Landlord's request, Tenant shall provide energy, water, and space-use data reasonably required for benchmarking, ENERGY STAR reporting, or legal compliance. Tenant authorizes Landlord to obtain such information directly from utility providers.

4.3 Interruption. No interruption of utility services shall constitute eviction, constructive eviction, or disturbance of Tenant's possession, or relieve Tenant of payment obligations, except that if an interruption caused by Landlord's negligence continues for more than five (5) consecutive business days and materially prevents Tenant from operating in the affected portion of the Premises, Tenant shall be entitled to a proportionate Base Rent abatement for the actual loss of use as Tenant's sole remedy.

ARTICLE 5. USE; COMMON AREAS; SIGNAGE

5.1 Permitted Use; Compliance. Tenant shall use the Premises only for the Permitted Use and shall comply with all Laws, zoning, certificates of occupancy, licenses, permits, insurance requirements, and recorded restrictions applicable to its use.

5.2 Operational Restrictions. Tenant shall not (a) violate Laws or the Building's certificate of occupancy; (b) overload floors, electrical systems, or HVAC capacity; (c) create noxious odors, vibration, or noise audible outside the Premises; (d) invalidate the Building's insurance; or (e) unreasonably interfere with other tenants or occupants.

5.3 Common Areas. Tenant may use the Building's common areas — lobbies, corridors, elevators, stairwells, restrooms, and surface parking — on a nonexclusive basis, subject to the Rules and Regulations attached as Exhibit C and Landlord's reserved rights.

5.4 Parking. Tenant shall be entitled to use, on a nonexclusive first-come basis, up to fourteen (14) unreserved surface parking spaces at no additional charge, subject to the Rules and Regulations.

5.5 Signage. Tenant shall be entitled to (a) one standard suite-entry sign at the Premises and (b) one line on the Building lobby directory, in each case installed by Landlord at Tenant's cost in accordance with Exhibit E. Exterior signage is not permitted.

5.6 Security. Landlord is not obligated to provide security services within the Premises. The Building is equipped with after-hours card-access control to the main lobby and the fourth-floor elevator lobby. Tenant is responsible for its own internal security, including any supplemental locks, cameras, or access systems installed within the Premises with Landlord's consent.

ARTICLE 6. CONDITION AND DELIVERY

6.1 As-Is Delivery. Except for the Landlord Turnover Work described in Section 6.2, Tenant accepts the Premises in their "AS IS, WHERE IS" condition. Tenant acknowledges that it has inspected the Premises and is familiar with the Building and the Property.

6.2 Landlord Turnover Work. Before the Commencement Date, Landlord shall, at its sole cost, (a) professionally clean the Premises, (b) shampoo or replace stained carpet tiles as reasonably needed, (c) repaint walls in Landlord's building-standard finish, (d) confirm that all HVAC, lighting, and plumbing serving the Premises are in good working order, and (e) deliver the Premises broom-clean.

6.3 Early Access. Beginning September 21, 2026, Tenant may enter the Premises solely to install furniture, fixtures, cabling, and equipment, provided Tenant (a) delivers the certificate of insurance required by Article 11, (b) coordinates with Landlord and its contractor, (c) does not commence business operations, and (d) does not interfere with the Landlord Turnover Work. Early access shall not advance the Commencement Date.

6.4 Confirmation of Commencement Date. Within ten (10) days after Landlord's delivery, the parties shall execute the Confirmation of Commencement Date in the form of Exhibit F.

ARTICLE 7. SUBORDINATION; ESTOPPEL

7.1 Subordination. This Lease is subject and subordinate to all mortgages, deeds of trust, and ground leases now or hereafter affecting the Property, provided that Tenant's subordination to any future superior interest is conditioned on Tenant's receipt of a commercially reasonable subordination, non-disturbance, and attornment agreement from the holder.

7.2 Estoppel. Tenant shall, within ten (10) days after request, deliver an estoppel certificate stating the matters reasonably requested by Landlord, including lease status, Term, Rent, defaults, deposits, options, amendments, and claims.

ARTICLE 8. ASSIGNMENT AND SUBLETTING

8.1 Consent. Tenant shall not assign this Lease, sublet all or any part of the Premises, mortgage or pledge its leasehold interest, or permit any transfer by operation of law, merger, change of control, or sale of substantially all assets, without Landlord's prior written consent, not to be unreasonably withheld, except for Permitted Transfers under Section 8.4.

8.2 Review Criteria. In determining whether to consent, Landlord may consider the transferee's business reputation, operating experience, intended use, financial condition, impact on the Property, and any lender requirements.

8.3 Excess Consideration. After deducting reasonable and customary transfer costs, fifty percent (50%) of any consideration received by Tenant from a transfer in excess of amounts payable by Tenant under this Lease shall be paid to Landlord within thirty (30) days after receipt by Tenant.

8.4 Permitted Transfers. Tenant may assign this Lease or sublet the Premises to an Affiliate, or to a surviving entity in a merger or sale of substantially all assets, without Landlord's consent, upon at least fifteen (15) days' prior written notice, provided (a) the transferee assumes all obligations under this Lease in writing, (b) the use

remains consistent with the Permitted Use, (c) the original Tenant remains fully liable, and (d) the transferee's tangible net worth is not less than Tenant's tangible net worth as of the Effective Date.

8.5 No Release. No transfer, whether or not consented to by Landlord, shall release Tenant from liability under this Lease unless Landlord expressly agrees in writing.

ARTICLE 9. ENVIRONMENTAL

- 9.1 Restriction.** Tenant shall not generate, store, use, treat, transport, release, or dispose of Hazardous Materials at the Premises or Property, except for de minimis quantities of normal office and cleaning supplies used in the ordinary course of office operations and stored in accordance with Laws.
- 9.2 Compliance; Notice.** Tenant shall comply with all Environmental Laws applicable to its operations and shall promptly notify Landlord of any spill, release, regulatory notice, or permit violation involving the Premises.
- 9.3 Remediation.** Tenant shall, at its sole cost, investigate, clean up, remediate, and restore any release of Hazardous Materials caused, contributed to, or exacerbated by Tenant or any Tenant party, subject to Landlord's reasonable approval of the remediation plan (except in emergencies). Tenant is not responsible for pre-existing contamination not exacerbated by Tenant.
- 9.4 Tenant Disclosures.** Tenant represents that, given the Permitted Use, no SARA Title III reports, NPDES/SPDES permits, EPA Hazardous Waste Generator IDs, or other regulated-materials programs apply to its operations. Tenant shall notify Landlord at least thirty (30) days in advance of any material change in operations that would alter this disclosure.

ARTICLE 10. LANDLORD INSURANCE

Landlord shall maintain commercial property insurance for the Building, commercial general liability insurance, rental value or business income insurance, and such other insurance as Landlord or its lender deems appropriate. The cost of such insurance, including premiums and commercially reasonable deductibles, may be included in Operating Expenses. Landlord's property insurance does not cover Tenant's personal property, inventory, trade fixtures, or alterations.

ARTICLE 11. TENANT INSURANCE

11.1 Required Policies. Tenant shall maintain the following insurance throughout the Term:

Coverage	Each-Occurrence Limit	Aggregate Limit	Additional Insured (Primary & Non-Contributory)	Waiver of Subrogation
Commercial General Liability	\$2,000,000	\$5,000,000	Yes	Yes
Business Auto Liability	\$1,000,000 (combined single limit)	—	Yes	Yes

11.2 Additional Insureds. Landlord and its lender shall be named as additional insureds on the Commercial General Liability, Business Auto, and Umbrella/Excess policies on a primary and noncontributory basis. All policies shall be issued by insurers rated not less than A-/VIII by A.M. Best.

11.3 Certificates; Failure to Insure. Tenant shall deliver certificates of insurance and required endorsements before the Commencement Date and at least thirty (30) days before each policy expiration. If Tenant fails to maintain required insurance, Landlord may procure such insurance and charge Tenant the cost plus a 10% administrative fee.

ARTICLE 12. WAIVER OF SUBROGATION

Landlord and Tenant waive all claims against each other for losses to the extent covered, or required to be covered, by the property insurance policies maintained or required under this Lease. Each party shall cause its property insurers to endorse the applicable policies to provide a waiver of subrogation consistent with this Article 12.

ARTICLE 13. ALTERATIONS

13.1 Consent. Tenant shall not make any alterations, additions, or improvements to the Premises without Landlord's prior written consent, not to be unreasonably withheld for non-structural interior alterations. Tenant shall submit plans, permits, contractor insurance certificates, and lien waivers, and shall deliver as-built drawings within thirty (30) days after completion.

13.2 Minor Alterations. Tenant may perform non-structural, interior cosmetic alterations costing less than \$15,000 per project and \$50,000 in the aggregate per Lease Year without Landlord's consent, but with at least ten (10) days' prior written notice and otherwise subject to all alteration requirements.

13.3 Removal at Surrender. At the time consent is granted, Landlord shall designate whether Tenant must remove the alteration on or before the Expiration Date. If Landlord does not require removal, the alteration shall become Landlord's property at surrender. Standard office cubicles, workstations, demountable partitions, low-voltage cabling, and Tenant's personal property shall be removed by Tenant.

ARTICLE 14. PROPERTY; TRADE FIXTURES

All fixtures, improvements, equipment, and appurtenances attached to or built into the Premises shall become Landlord's property except Tenant's personal property, trade fixtures, and alterations Landlord requires Tenant

to remove. Tenant shall remove Tenant's personal property on or before the Expiration Date and repair any damage caused by such installation or removal.

ARTICLE 15. REPAIRS AND MAINTENANCE

15.1 Tenant Maintenance. Tenant shall maintain the interior of the Premises in good and safe condition, including interior walls, doors, lighting, plumbing fixtures within the Premises, supplemental HVAC (if any), interior glass, finishes, and Tenant's alterations.

15.2 Landlord Maintenance. Landlord shall maintain the foundation, exterior and interior load-bearing walls, roof structure and covering, Building base HVAC, base electrical and plumbing systems to the point of entry to the Premises, elevators, common areas, parking areas, sidewalks, and landscaping, with costs included in Operating Expenses to the extent permitted by Article 3.

15.3 Tenant-Caused Damage. Notwithstanding Section 15.2, Tenant shall be responsible for the cost of maintenance, repair, and replacement arising from the negligence, misuse, omission, willful misconduct, or breach of Tenant or any Tenant party, except to the extent barred by the waiver of subrogation in Article 12.

15.4 Inspection; Deficiencies. Landlord may inspect the Premises on reasonable advance notice to confirm compliance with this Article. If an inspection identifies deficiencies, Tenant shall cure them within thirty (30) days after notice, subject to extension for matters that cannot reasonably be cured within that period if Tenant diligently pursues cure.

ARTICLE 16. ACCESS

Landlord and its representatives may access the Premises at reasonable times, on at least twenty-four (24) hours' prior notice (except in emergencies, when no notice is required), to inspect, perform repairs, provide services, show the Premises to lenders, purchasers, or (during the last twelve months of the Term) prospective tenants, and exercise other rights under this Lease. Landlord shall use commercially reasonable efforts not to unreasonably interfere with Tenant's operations.

ARTICLE 17. INDEMNIFICATION; LIMITATION OF LIABILITY

17.1 Tenant Indemnity. Tenant shall indemnify, defend, and hold harmless Landlord and its affiliates, members, managers, officers, employees, agents, and lenders from losses arising out of (a) Tenant's Default, (b) the negligence or willful misconduct of Tenant or any Tenant party, (c) Tenant's use or occupancy of the Premises, (d) any Hazardous Materials brought to the Property by Tenant, and (e) any violation of Laws by Tenant or any Tenant party, except to the extent caused by Landlord's gross negligence or willful misconduct.

17.2 Landlord Indemnity. Landlord shall indemnify Tenant from losses directly caused by Landlord's gross negligence or willful misconduct, subject to the limitations in Section 17.3.

17.3 Limitation of Landlord Liability. Tenant shall look solely to Landlord's interest in the Property for recovery of any judgment or award against Landlord. No member, manager, officer, employee, or agent of Landlord shall have personal liability under this Lease. In no event shall either party be liable for consequential, punitive, special, or lost-profits damages, except with respect to Tenant's holdover under Article 21.

ARTICLE 18. FORCE MAJEURE

Except for the payment of Rent, the maintenance of insurance, surrender obligations, and the exercise of any option or notice deadlines, each party's performance shall be extended for delays caused by events beyond such party's reasonable control, including labor disputes, casualty, war, terrorism, governmental action, utility failures, shortages, public-health emergencies, and permit delays despite diligent pursuit.

ARTICLE 19. CASUALTY

Tenant shall promptly notify Landlord of any casualty affecting the Premises. If the Premises are rendered untenantable in whole or in material part and restoration cannot reasonably be completed within one hundred eighty (180) days, either party may terminate this Lease on thirty (30) days' notice. Otherwise, Landlord shall restore the Premises to substantially their condition before the casualty (excluding Tenant's personal property and alterations), and Base Rent and Additional Rent shall abate proportionately to the extent the Premises are not tenantable until restoration is substantially complete. If the casualty occurs during the last twelve (12) months of the Term, either party may terminate.

ARTICLE 20. CONDEMNATION

If all or a material portion of the Premises is taken by eminent domain or deed in lieu of condemnation, this Lease shall terminate as to the portion taken on the date title vests in the condemning authority, and Base Rent and Additional Rent shall be equitably adjusted. Landlord is entitled to the condemnation award for the real property, subject to Tenant's right to pursue a separate award for moving costs, trade fixtures, and business damages to the extent permitted by law and not reducing Landlord's award.

ARTICLE 21. SURRENDER AND HOLDOVER

21.1 Surrender. On or before the Expiration Date, Tenant shall vacate the Premises in the condition required by Exhibit B (Surrender Requirements), remove Tenant's personal property and required removal items, repair damage caused by such removal, surrender keys and access cards, remove signage, terminate Tenant-arranged utility accounts as directed, and deliver the Premises broom-clean, ordinary wear and tear and casualty not caused by Tenant excepted.

21.2 Holdover. If Tenant remains in possession after the Expiration Date without Landlord's written consent, Tenant shall be a tenant at sufferance, the tenancy shall be terminable on five (5) days' notice, and Tenant shall pay holdover rent equal to one hundred fifty percent (150%) of the Rent payable for the month immediately preceding the Expiration Date for the first thirty (30) days of holdover and two hundred percent (200%) thereafter, plus all damages and costs incurred by Landlord as a result of the holdover, including any liability to a succeeding tenant.

ARTICLE 22. EVENTS OF DEFAULT

Each of the following is an Event of Default: (a) failure to pay any Rent within five (5) days after written notice that the same is past due; (b) failure to maintain required insurance; (c) abandonment of the Premises; (d) an unauthorized transfer in violation of Article 8; (e) failure to deliver an estoppel certificate, subordination

instrument, or other required document within the time specified, with such failure continuing for five (5) business days after a second notice; (f) any liens not released or bonded within thirty (30) days after notice; (g) a material misrepresentation; (h) insolvency, assignment for the benefit of creditors, or a bankruptcy filing not dismissed within sixty (60) days; (i) a material violation of Article 9 (Environmental); and (j) failure to perform any other covenant within thirty (30) days after written notice, subject to extension for matters that cannot reasonably be cured within that period if Tenant diligently pursues cure.

ARTICLE 23. REMEDIES

23.1 Landlord Remedies. Upon an Event of Default, Landlord may exercise all rights and remedies available at law or in equity, including (a) terminating this Lease or Tenant's right of possession, (b) recovering all unpaid Rent and damages, (c) reletting the Premises and recovering the difference between the Rent due and the rent received, (d) curing the Default at Tenant's expense, (e) drawing on or applying the Security Deposit, and (f) seeking injunctive relief. Landlord shall use commercially reasonable efforts to mitigate damages to the extent required by Utah law.

23.2 Cumulative; No Waiver. Landlord's rights and remedies are cumulative and not exclusive. No waiver of any Default shall waive any other Default. Acceptance of partial payment shall not waive Landlord's right to recover the balance.

23.3 Attorneys' Fees. In any action arising out of this Lease, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs.

ARTICLE 24. BROKERS

Landlord and Tenant represent that they have dealt with no brokers in connection with this Lease except the Brokers identified in Article 1. Each party shall indemnify the other from claims by any other broker claiming through the indemnifying party. Landlord shall pay the Tenant Broker pursuant to a separate written commission agreement.

ARTICLE 25. MISCELLANEOUS

25.1 Governing Law; Venue. This Lease is governed by Utah law, without regard to conflict-of-laws principles. Venue for any action shall lie exclusively in the state and federal courts located in Salt Lake County, Utah.

25.2 Notices. All notices required or permitted under this Lease shall be in writing and delivered to the addresses in Article 1 by personal delivery, certified mail (return receipt requested), or recognized overnight courier. Courtesy email copies do not constitute notice. Notice is effective on receipt or refusal of delivery.

25.3 Entire Agreement; Amendment. This Lease (including the Exhibits) is the entire agreement of the parties with respect to its subject matter and supersedes all prior negotiations, term sheets, and letters of intent. This Lease may be amended only by a writing signed by both parties.

25.4 Authority. Each party represents that the individual executing this Lease on its behalf is duly authorized to bind it.

25.5 Counterparts; Electronic Signatures. This Lease may be executed in counterparts, each of which is an original and all of which together constitute one instrument. Signatures delivered by PDF, DocuSign, or other electronic means have the same force and effect as original signatures.

25.6 Severability. If any provision of this Lease is held unenforceable, the remaining provisions shall remain in full force and effect.

25.7 Waiver of Jury Trial. To the maximum extent permitted by law, Landlord and Tenant waive trial by jury in any action arising out of this Lease.

25.8 Time of the Essence. Time is of the essence with respect to all obligations under this Lease.

25.9 OFAC; Anti-Corruption. Each party represents that neither it nor any of its principals is on any U.S. government list of prohibited or restricted parties.

25.10 Survival. Obligations relating to indemnity, environmental matters, surrender, holdover, attorneys' fees, and reconciliation of Operating Expenses survive expiration or termination of this Lease.

25.11 Confidentiality. Each party shall keep the economic terms of this Lease confidential, except for disclosures to accountants, attorneys, lenders, investors, or as required by law.

25.12 Recording. Neither party shall record this Lease, but the parties may record a short-form memorandum in a form mutually approved.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the Effective Date.

APPENDIX 1

Deal Summary and Drafting Notes

Description.

This Lease is a five-year, multi-tenant office lease for Suite 410 of the Cobalt Pines Building, a four-story Class B office property owned by Beehive Realty Trust, LLC and located in Sandy, Utah. The Tenant, Brightline Actuarial Group, LLC, is a Utah-based professional services firm engaged in actuarial consulting. The transaction is straightforward: as-is delivery with limited Landlord Turnover Work; two months of free Base Rent; 3% annual escalations; a cash security deposit; and Tenant pays its proportionate share of Operating Expenses with a 5% cap on Controllable Operating Expenses after the base year.

Archetype.

Standard multi-tenant office lease with modest tenant-side protections (audit right, controllable cap, capital exclusions, SNDA condition, mitigation acknowledgment). No letter of credit, guaranty, landlord work letter, renewal option, or relocation right is included; these are noted as intentionally omitted.

Key Drafting Notes.

- Rent schedule reconciles arithmetically across the Term.
- Abatement is Base Rent only; Operating Expenses and utilities continue during the Abatement Period.
- Operating Expense exclusions and the 5% controllable cap are tenant-favorable but consistent with Beehive's approved standard for office tenants of this size.
- Permitted Use is narrow (actuarial consulting and ancillary back-office) to align with insurance and the Building's certificate of occupancy.
- Article 9 (Environmental) is intentionally light because the tenant operations are pure office; if Tenant's operations change, the disclosure obligation in Section 9.4 is triggered.
- Utah-specific items are addressed in Exhibit I; no state sales or rent tax currently applies, but the catch-all language preserves Landlord's position if Law changes.
- No guaranty was required given the Tenant's credit profile; security is a two-month cash Security Deposit only.

Items Intentionally Omitted.

Letter of credit; corporate guaranty; landlord work letter / construction allowance; relocation right; renewal option; ROFO/ROFR; outside storage; signage on building exterior or monument; LEED/sustainability addendum; landlord lien waiver; co-occupant rights; expansion option.
